

\$1,250,000 HOUSING PROJECT PLANNED

40 Homes to be Started During Next 12 Months

Mr. Louis Jodoin, president of Mordway Developments of Hinton announced Friday the company will be starting developments in Drayton Valley July 1st.

Mr. Louis Jodoin in an interview stated that 14 houses will be started by July 10th and that 40 homes will be constructed or started in the next 12 months.

Negotiations have been completed with Valley Park Properties Ltd. and West Park Developments Ltd. for approximately 120 of the remaining unsold lots in Hillcrest and Parkview subdivisions.

A study of Drayton Valley had proved the following points as ideal for development and growth:

- * Location of town
- * New airport
- * Water facilities proposed
- * Paved streets
- * Parkland area
- * Hospital, doctors and clinics
- * Senior citizen's home
- * Recreational facilities
- * Progressive council
- * Close to sporting activities
- * Golf, hunting, fishing, skiing, hockey, etc.
- * Home of M.L.A.
- * Social and service clubs
- * Library and educational facilities
- * Churches
- * Tax base

- * Economy of the community
- * Need for new homes
- * General outlook

Mr. Jodoin explained that following preliminary studies of the Drayton Valley area a more intensive research confirmed his view that Drayton was an economically sound locale. He further stated that both Hillcrest and Parkview were ideal as sites and that the drainage, view, proximity to shopping, etc. led to a final decision by Mordway to build in Drayton Valley.

He stated that local trades would be invited to bid on all projects and that local labour would be used whenever possible.

When asked about the history of the Mordway Developments Ltd., Mr. Jodoin replied, "I started in the St. Paul area at the age of 27 and did \$300,000 business." Now 34, Mr. Jodoin has been joined by Mr. Roland Mousseau, 34, Vice - President, and Mr. Joe Tonin, 46, Bldg. Superintendent.

He went on "We built 67 homes in Grande Cache last year and our program in that area is \$1,500,000 for 1972. Hinton building represents a further \$1,250,000 project.

Total construction for this company in the ensuing year will be approximately 4 to 5 millions."

Mr. Tonin, the company's

construction general manager was in charge of building Meadowlark Shopping Parks in both Calgary and Edmonton and has been in the building business for 20 years.

When asked for a description of the types of homes indicated for Drayton Valley, Mr. Jodoin replied, "Firstly we shall be building homes over 1,100 sq. feet for the Hillcrest subdivision and in conjunction some smaller homes in Parkview area. While this is in progress we shall be submitting to the Drayton Development Committee plans for 40 single bedroom, ground level suites."

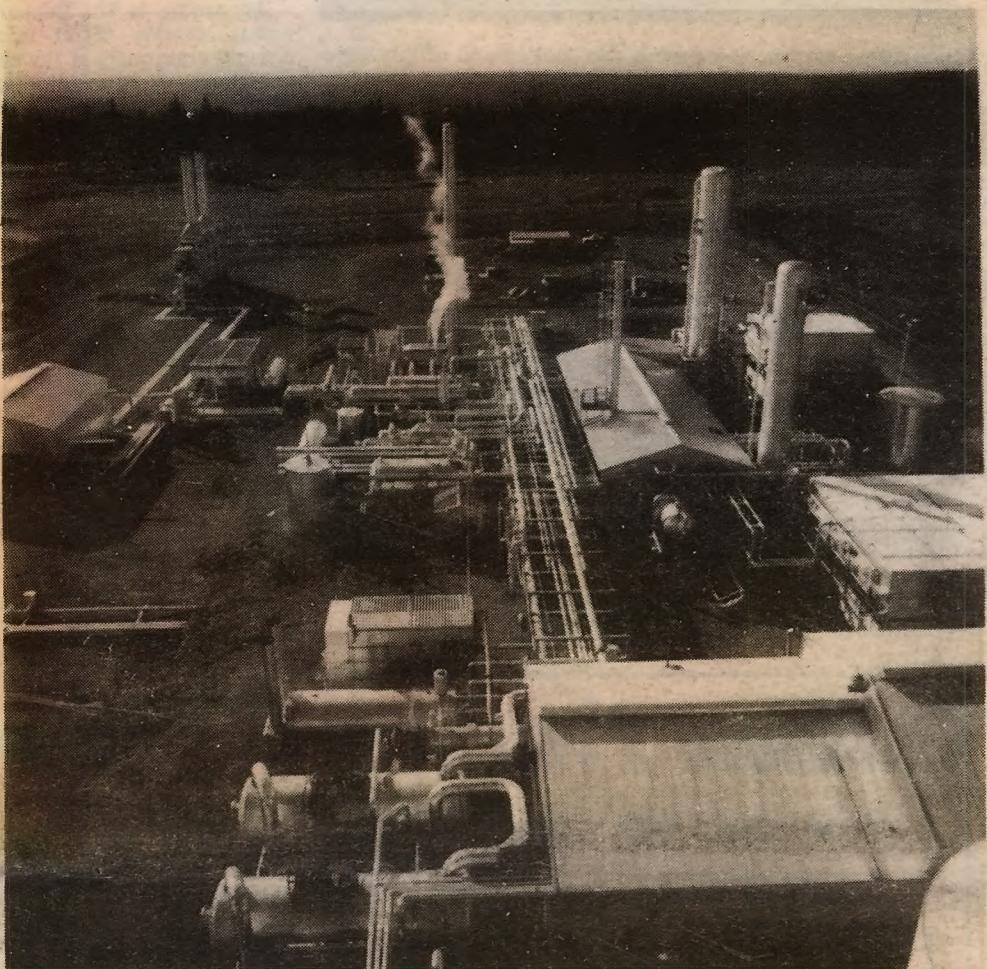

The latter will be rented and should be popular as each unit is self-sufficient and renters will be completely independent of each other. These units will be similar to Retirement Villages now so popular in the U.S.A. and parts of Canada, he said.

Mr. Jodoin stated "our studies have led us to having great faith in the opportunity and stability of Drayton Valley, and we look forward expectantly to making new friends and acquaintances in the area."

"Our representatives will be on location July 1st with financial counselling available." Mr. Jodoin himself will be in Drayton Valley to see the project underway.

High Water at Golf Course

Heavy rains throughout North-Central Alberta have brought flood threats to many areas. In the Drayton Valley district creeks were reported across roads at several points and the picture above shows conditions at the golf course last Sunday.

Heavy Rains Swell Area Rivers, Creeks

The North Saskatchewan River at Edmonton is expected to rise another 13 feet to the highest levels since 1915, but no flooding is expected.

Locally, the fast-flowing waters and rising creeks and tributaries of the North Saskatchewan River, have caused concern to farmers in the lower lying areas.

A number of persons owning private wells in the district feared flooding of the wells when the river continued to rise during the heavy continuous rains on the

in the rate of elimination into the atmosphere of unused sulphur dioxide, met with protests from Drayton Valley residents. A number of local residents, together with M.L.A. Rusty Zander, were present at Thursday's hearing to seek postponement and change of locale for the hearing.

The board agreed with the request because of the interest shown locally in adjourning the hearing to 9:30 a.m. on July 5th.

Council Chambers of the Town Administration Building was originally set as the site of the hearing, which is open to the public, but the meeting place was undetermined at press time.

In an effort to clear the picture for concerned residents, Mr. Zander announced plans for a tour of the plant site. The tour, originally scheduled for Tuesday, June 27th, was postponed to next week because of creeks flooding roads in the area.

Manager of Environmental Conservation for Hudson's Bay Oil and Gas, Howard Becker, talked to Drayton Valley Rotarians last week regarding the effect expansion of the Brazeau sulfur plant would have on the area.

He explained that emissions from the plant do min-

imal environmental damage. "In fact," he said, "I might say we don't do any damage, depending on what

Treasury Branch Opens At Wildwood

The official opening ceremonies of the Wildwood Treasury Branch were held at Wildwood at 3:00 P.M. on June 19th, with the following guests participating: Don Moore, Mayor, Village of Wildwood; Guy Dompnier, administrator, Improvement District #14; Peter Trynchy, M.L.A., Mayerthorpe; Dennis Ensminger, Manager, Wildwood Treasury Branch; Fred Sparrow, Superintendent, Treasury Branches.

Approximately 250 citizens of Wildwood and district attended the opening ceremonies and enjoyed refreshments served by the Wildwood Ladies' Library Group.

Managers from Treasury Branches from surrounding communities of Edson, Stony Plain, Mayerthorpe, Drayton Valley and Breton were also in attendance.

you would call damage."

"Pollution occurs," Mr. Becker said, "when man alters renewable resources in such a way that he damages them for use by other men."

In regards to the sulfur plant, there are three emissions that could possibly be termed "polluting"--gaseous, liquid and solid. However, steps have been taken to eliminate such a possibility by the company and by federal and provincial regulations regarding environmental control.

The greatest concern of Drayton Valley citizens is the emission of sulfur dioxide, a gas that can be harmful in certain quantities.

According to Mr. Becker, sulfur dioxide (SO₂) is a normal component of the atmosphere--it is as essential to life in low quantities as is carbon dioxide.

In fact, he said, research has shown that there exists an SO₂ cycle similar to the CO₂ cycle which is necessary to sustain life.

He pointed out that a sulfur deficiency was first discovered in this area some 40 years ago. Therefore, the development of sulfur plants has contributed to the development of sulfur in the soil.

"Nearly 1/2 billion tons of SO₂ per year enter the atmosphere, and an equal amount is removed every year from the atmosphere," he explained in regards to the SO₂ cycle.

The Brazeau plant now emits 15.4 long tons of SO₂ per day, while the proposed expansion would emit 19.2 long tons per day. This amount would be completely absorbed by the atmosphere, Mr. Becker said.

The plant's emission will be increased by 50%, he said, but his may be beneficial because the plant would be erecting a stack that would disperse the gases more effectively than the previous stack.

Under the worst conditions conceivable and with the wind blowing directly toward Drayton Valley, the amount of SO₂ in the air at ground level would be 1.4 parts per billion--much lower than the standard of .10 parts per

million set by the government, he said.

Because the plant is so well-instrumented and because the provincial government has set such stringent regulations, concentrations of SO₂ emitted are measured constantly.

"We are certainly aware of everyone's concern," said Mr. Becker, "and we respect that concern."

"But we assure you that every step is being taken to make certain that every pollutant from the plant is of proper concentrations."

In regards to one of the Rotarian's questions concerning the possibility of conversion of SO₂ to SO₃ (sulfuric acid), Mr. Becker explained that .1% SO₂ is photochemically converted into SO₃ per hour. This, in itself is extremely dilute, and is also a natural component of the atmosphere.

weekend.

M.L.A. Rusty Zander said the Berrymoor ferry, which crosses the North Saskatchewan, was out of service and the approaches were flooded.

Creeks from the Brazeau River have also overflowed their banks and have washed out roads around the Lodgepole area.

But the activities seem to be alluring sight-seers rather than warning them to stay away. Cars and trailers were lined up along the Saskatchewan bridge just east of town to view the river.

According to some, this is the highest the river has been in this area since it flooded Klondike Kampers Kampground six or seven years ago.

Golfers, of course, look at the situation with an irreverent eye. The local golf course is full of large puddles and the creek has swollen to such an extent that the bridge is impassable.

LEGISLATIVE REPORT

By KEVIN PETERSON

An education system of the future with local versions of Sesame Street for tots, a drastically revised elementary and secondary system for older children and a campus - less university that would operate around the province is now under debate in Alberta.

Two-and-a-half years after he was appointed to take a long look into the future for Alberta's education, former University of Alberta vice-president Dr. Walter Worth last week summed up his work in a 325-page, modishly-designed book the province hopes will become a bestseller this summer.

"This report looks forward to a new kind of citizenship right," Dr. Worth said. "Recurrent education is the name. It grants a claim on schooling to each individual according to his own lifestyle and his preferences for patterns of work and leisure."

Dr. Worth's picture of the new school system includes a 5-per-cent sales tax, as well as a one-per-cent increase in personal income taxes in 1973, 1975 and every five years thereafter. But he strongly asserts the province's education bill will rise to \$611 million in 1975 whether his reforms are implemented or not.

The reform offers no summary and Dr. Worth says notably can be kept on how many recommendations are implemented or killed: "The vast majority of recommendations to have any impact require personal commitment from teachers, parents, students and tax-payers."

But he does offer 10 priorities which he feels should be undertaken quickly by the provincial Legislature:

1. Building of the \$31 million provincial educational television network (called Access) along with a quick start on Early Ed (the preschoolers television program) and the Alberta Academy, a post-secondary institution that would have no buildings but use travelling tutors and multi-media processes to take schooling to adult Albertans.
2. Endorsement of an Integrated Provincial Development Plan that would spell out regional economic goals across the province as well as outlining the jobs schools and other local institutions can do.
3. A commitment to universal access to education that would be backed up with programs for three and four year old poor and handicapped children as well as universal optional kindergartens for five year olds - programs that would cost \$21 million in 1975.

4. Abolition of the Grade 12 departmental examinations, in favor of achievement tests similar to those now used in Grade 9.
5. Dramatic increases in adult education to emphasize not only retraining but the value of lifelong learning in preparing people for the changes of the future.
6. An end to permanent certification of teachers, with a 10-year review provided. The right to strike would also be removed and university degrees would be required of all teachers by 1980.
7. A system of life-experience grants for all and renewal of a grant system based on need for post-secondary students to make sure everyone has equal access to education.

TREES FOR FARMS AND ACREAGES

Trees and shrubs for planting in 1973 on farms and acreages (Minimum one acre) will be distributed free of charge by the Alberta Department of Agriculture for shelterbelt establishment if applicants meet certain terms and conditions.

1. Land must be suitably cultivated this summer to destroy all weeds and grass.
2. Must agree to keep site free of weeds after planting and to not sell or remove trees from property.
3. A planting plan is required.
4. Deadline for applications in the County of Parkland will be October 1st, 1972.
5. All planting sites will be inspected in September or October.
6. If interested, send your name, address, phone number and land location to:

Editorial Comment

Town Growth Receives a Big Boost

Daily we hear the remark "Where is everyone coming from?" The cause for this question is the heavy demand for housing and land.

The answer to this question for the most part is, right here.

Citizens of Drayton Valley are upgrading their homes. Young couples residing here for the past few years are moving from apartments to houses. Expanding families are demanding more accommodation. Many couples have an equity in an older home which now provides sufficient funds to start a new one.

The population doesn't necessarily jump when a community upgrades but rather it maintains a regular healthy climb even if accelerated. Drayton is experiencing just such a growth and the momentum has caught many people with the misconception of a boom. Nothing could be farther from the truth.

A general plan of Drayton Valley ordered by council and completed in 1967 forecast the changes we are now witnessing and in fact repeatedly mentions the lack of average floor space for family dwellings.

Many of the developments in recent years are merely a reflection of orderly growth that had been held back for various reasons. The need or demand is now receiving the attention and investment it deserves.

Other factors contribute in no small way. More and more people are looking to Drayton Valley as a centre of various activities. Churches attract weddings, arenas attract sports, a cattle market attracts cattlemen and shippers, clinics attract patients, and so on. As long as the customer can find an expressive use for his money or a means of satisfying his well being, they'll come to you. It necessarily follows that when citizens are upgrading themselves then the people who service them must upgrade their services.

In today's paper we see an instance of a young progressive company prepared to invest heavily in our community to satisfy the demand for housing. It was only after serious study that Drayton was chosen and it appears to speak well of our community. We were chosen over another community larger than ours. However all things considered, Drayton received their board's decision.

In only one area do we seem to falter badly. We have no Chamber of Commerce.

It is common knowledge that the former Chamber was split badly over a local issue which doesn't need repeating. The point is Drayton is a growing town, a good town and can be a better town. Let's forget past issues and pull together for a strong, healthy, happy community.

Our strength will grow with the solving of our problems.

Your Opportunity to Hear the Facts

Interest by conservation-conscious residents of the community has resulted in the adjournment of the hearing on the application by Hudson's Bay Oil and Gas Company to increase capacity of its Brazeau gas plant.

The hearing, open to the public, will now be held in Drayton Valley on July 5th, giving all concerned residents of the community the opportunity of being present and hearing the facts on the Hudson's Bay Proposal.

The concern expressed locally is commendable. Perhaps as the company maintains, its plant expansion will produce minimal pollution. But we might not have had a clear explanation without the interest shown by local residents.

Concern for the environment is not trouble-mongering -- an opinion also voiced by Hudson's Bay officials -- it is a clear reflection of growing interest in the ecological field. However, as well as being concerned you should also be informed -- and the information will be available at the July 5th hearing.

8. General degree programs in university to be reduced to two from four years with a bachelor of technology degree to be eventually introduced at NAIT and SAIT.
9. Replacement of the Universities and Colleges Commissions with reorganized departments of education and advanced education.

Education Minister Lou

Hyndman and Advanced Education Minister Jim Foster pronounced the report "innovative and exciting". While making no commitment for quick implementation of the glamorous and costly Worth proposals, they said such things as 'school councils' to increase community involvement could be done immediately.

Reeve's Report

By Les Miller, Reeve,
County of Parkland

It was with a great deal of regret we received a copy of a petition sent to the Premier of Alberta, from County of Parkland residents, asking for formation of a new County and expressing concern for lack of services in their area, being the western area of the County.

When the County of Parkland was formed in 1969, Council, knowing the opposition from the Drayton Valley area adopted a policy of upgrading in that area to prove our good faith. We have gone to extremes to provide services to these people, and I am most disappointed in their reaction.

Following is a list of some of the things done in the area since the County was formed three years ago--

1. Fire protection: Did not exist. A new fire truck was purchased and placed in Drayton Valley. We have an agreement with the Town to house the truck and with the Town Fire Department to man the truck. The Lodgepole Fire Department was greatly upgraded.

2. Police Protection: A detachment of our County force was placed in Drayton Valley.

3. Office building and maintenance shop: A new building was built in Drayton Valley to house our Police Force and Health Unit and serve as office and repair shop for our Public Works maintenance equipment. Consideration is now being given to an addition. There is now someone in the office full time to take and disperse calls.

4. Maintenance: The County is divided into two areas: Area A--divisions 5,6,& 7; Area B--divisions 1,2,3,&4. Each area has an identical structure, i.e. an area foreman, assistant foreman, two snowplow trucks, one loader, one tractor and loader and other smaller equipment. Other equipment is scheduled and serves the entire County. Area A has less than 1/3 of the County population, have the same staff and equipment, and now some complain they do not get service. Some figures for Division 6&7, the area in question:

Work done in Divisions 6 & 7 in 1969, 1970, and

1971: 1969--1, 148 miles (45,000 yards) of road were gravelled; 2. 17 1/2 miles of road were oiled for dust elimination. 1970--1, 60 miles (18,000 yards) of road were gravelled; 2. 6 1/2 miles of road re-graded; 3. 45 miles of road were oiled for dust elimination. 1971--1, 160 miles (48,000 yards) of road were gravelled; 2. 1 mile of road constructed; 3. 5 miles of road were oiled for dust elimination.

Gravel crushed in Divisions 6 & 7: 1969--54,260 cu. yds.; 1970--93,330 cu. yds.; 1971--53,704 cu. yds.

The Drayton Valley-Lodgepole road alone has had in excess of \$100,000 spent in these three years.

5. Airport: We are spending in excess of \$30,000 doing the earthwork for the Town of Drayton Valley airport. This is on the land the provincial government purchased for the town to build an airport. Again our other towns complain of the preferences given Drayton Valley.

6. Water Line: We have agreed to carry a portion of the debenture for a water line from the Saskatchewan River to serve Drayton Valley.

7. The District Agriculturalist and Agricultural Fieldman each have a regular office day in Drayton Valley one day a week plus their farm calls, etc. The Home Economist also indicates she averages a couple of days per week in this area.

When I became Reeve in 1970 I also set one regular day per month to be in Drayton Valley to receive calls and visitors, but was forced to drop this program because of lack of response.

8. Ambulance Service: Because of the high cost of ambulance service in the west area of the County, we establish and subsidize an ambulance service. This applies only to the Drayton Valley hospital area and is not available in the remainder of the County. Again it is a service Council felt was needed.

9. We have accepted 1/3 of the Drayton Valley arena operating deficit. (Apparently this was an old verbal commitment from the I.D.).

10. Schools: Here again the

School Committee has been severely criticized for the great imbalance of expenditure in favor of Drayton Valley. The Superintendent's Report, Page 13 of the financial statement, shows the vast amount of renovations carried out in the Drayton Valley schools. The disparity of spending in relation to the rest of the County was drawn to the attention of the School Committee at the annual meeting and the suggestion made that we were going much too far in favoring the western area. On the new high school in Drayton Valley alone, over \$80,000 of County funds will have gone into the school, in addition to the Foundation Program allotment, as well as \$50,000 from the Town of Drayton Valley. We have just accepted a joint use of facilities agreement with the Town of Drayton Valley, which again proves cooperation with the Town is at a high level. Our Superintendent assures me that his staff have been instructed to spend at least their allotted time in the Drayton Valley schools and their time sheets prove they are spending more.

I could go on, but the facts clearly show that the western area of the County is getting equal service, and in several areas much better service than the rest of the County. The only thing they cannot do is pay their taxes at the office in Drayton Valley. The duplication of the tax roll, to date, made this impossible. All other services are available in their area.

On the practical side--the

duplication of offices, supervisory personnel such as school superintendent, secretaries, department heads, etc. that would result from a splitting of the County, has, I am sure, not been considered. We now have an efficient viable County operation. During three years of County operation, your taxes dropped and then remained the same in spite of spiraling costs. I feel this is an important factor for the people asking a split to consider. In addition, you would get the undeveloped areas of Leduc and Wetaskiwin and have to upgrade them. For these reasons I cannot comprehend the thinking behind this request.

In closing, I am very pleased to report that the Council of the Town of Drayton Valley assure me that they have not encouraged or promoted the petition. They are very pleased with the friendly relationship that exists between our councils and look forward to continuing to work together for the betterment of the entire area.

I apologize for devoting an entire report to this matter, but feel the seriousness of the matter made it necessary. Next month, hopefully, we will be back to regular business.

About 345,000 Canadians received occupational training or academic upgrading under the Canada Manpower Training Program in 1970-71. Total federal cost was \$293,000,000.

THE WESTERN REVIEW, Drayton Valley, Alberta - June 28, 1972 - Page 5

Summary Regular Meeting Parkland County Council

Regular meeting of the Council of the County of Parkland No. 31, held in the County Office at Stony Plain, Alberta on Thursday, June 8 was called to order at 10:00 a.m.

Present were Reeve Les Miller, Deputy-reeve Ivan Vowk, Councillors Jacob W. Fuhr, Maurice McCullagh, and Robert Bailey.

Council at this time sat as a Court of Revision to hear an appeal against the buildings and improvement assessment of \$3,150.00 levied on Block 1, Plan 621R.S., Pt. NW 25-51-27-4. Assessor Bill Jesse was present. After review of this assessment it was agreed that the buildings and improvement assessment of \$3,150.00 be confirmed.

The minutes of the last regular meeting held May 18, copies of which were forwarded to each Councillor, were accepted.

ARENA DEFICIT REQUISITION

The matter of the County accepting responsibility for a one-third portion of the Town of Drayton Valley's arena deficit was held in abeyance for receipt of a letter of confirmation from Mr. D. R. Watson, Chief Accountant of the Department of Municipal Affairs, that a previous verbal agreement was made with the Town of Drayton Valley for the Department to accept a one-third portion of this deficit. The Secretary-treasurer reported that this letter has not yet been received.

A request from Mr. Robert Akins of RR1, Duffield to lower the water table in the gravel pit area in the NE 26-51-3-5 by way of digging a drainage ditch south to a creek was again presented to Council. Upon inspection of the site by the Public Works Committee and elevations taken by the Public Works Department along the proposed ditch line it was agreed to accept the recommendation of the Public Works Committee that this request for assistance be refused as same is not feasible.

The request for naming of the road from highway 16, west through section 33-51-26-4 by Mr. S. Williams of RR5, Edmonton, referred to Councillor Bailey for recommendation as to name, was again considered by the Council. It was agreed that council accept the recommendation that the said road be named "Park Drive".

It was agreed that the request for a road easement on the SW 27-53-1-5 by Mrs. and Mr. R.B. Fuchs of Stony Plain be held in abeyance until the July council meeting due to the absence of Councillor Bakker.

The request to connect Calgary Power Ltd.'s Wabamun housing to the Wabamun sewer system, referred to a Committee for further information on recommendations of Associated Engineering Services Ltd., was again presented to Council. The Committee submitted a progress report on its findings and stated that Franci and Associates have conducted a survey and will present a written report to Council at its next meeting.

The financial statements for the months of April and May, 1972 were accepted.

Letters from Sharla McDavid and Jeanette Steuber were presented to Council tendering their resignations effective June 15, 1972 and June 30, 1972, respectively. Resignations were accepted with regret.

A by-law providing for the leasing of Park Reserve Lot

R-4, Plan 4743R.S., Pt. NW 11-53-27-4 to Mr. Emil Eideck for 1972 at a rental fee of \$25.00 received first, second, and by unanimous consent of the councillors present, a third reading and finally passed.

A by-law providing for the leasing of Park Reserve Lot R8, Block 1, Plan 3688R.S., W1/2 NE 32-51-26-4 to Mr. Sandy Williams for 1972 at a rental fee of \$25.00 received first, second, and by unanimous consent of the councillors present, a third reading and finally passed.

Letter dated May 10 from A.R. McPhee and letter dated May 25 from W.B. Stinson both requesting to lease the park reserve Lot R, Plan 1113R.S., Pt. SW 8-52-25-4 were presented to Council for recommendation. It was agreed that these applications be held in abeyance for further investigation.

Letter dated May 26 from Mr. A.N. Robar of Edmonton requesting to lease the park reserve Lot R1, Plan 3748R.S. in the SE 1-53-2-5 was presented to Council. It was agreed that this park reserve be leased to Mr. Robar for 1972 at a rental fee of \$25.00.

Jack Turner and George Galimore, representing R. Angus (Alberta) Ltd. were present and discussed with Council matters concerning their tender on two Caterpillar 140 Graders. It was agreed that an alternate grader with 31 hours of machine time be purchased at a \$500 reduction in cost.

FLOODING COMPLAINTS

Mr. H. Bellhouse of Edmonton was present and informed council that his property, the NW 22 and SW 27-53-3-5, is being flooded due to a drainage ditch created by council some years ago. It was agreed that this problem be referred to the Water Resources Division for a survey and report as to the natural drainage in this area.

Mr. Paul Gray of RR2, Duffield was present and discussed with council a flooding problem on the east side of the SE 7-53-3-5 due to road construction. It was agreed that this matter be referred to the Public Works Committee for inspection and recommendation.

Mr. Ed Dupuis of RR5, Edmonton was present and discussed with Council flooding problems on Section 29-51-26-4 and the surrounding area. Mr. Dupuis also presented a petition consisting of names of property owners in the area. Council informed Mr. Dupuis that this matter has been referred to the Water Resources Division for a water study of this area but to date have not received any information. It was agreed that this petition be received for any information.

An application from Mr.

Ed E. Hennig requesting to renew his lease for 1972 on the Park Reserve Lot R1, Plan 2469R.S. in the NE 13-51-27-4 was presented to council for consideration. It was agreed that the Park Reserve be leased to Mr. Hennig for 1972 for a rental fee of \$25.00.

Letter dated May 18 from Mr. Edward Kuhl of Spruce Grove requesting to lease the Park Reserve Lot R, Plan 5630R.S. and proposed service road and allowance in the NE 35-52-27-4 was presented to council for consideration.

It was agreed that this request be held in abeyance for clarification of subdivision plan 5630R.S. in the NE 35-52-27-4.

A report dated May 25, 1972 from Mr. Otto Reich,

Assistant Agricultural Field Supervisor, recommending that the Park Reserves, Blocks R1 and R2, Plan 4768R.S. in the N1/2 34-51-26-4 be leased to Mr. Mike Czuroski of RR5 Edmonton for weed control purposes was presented to council for consideration. It was agreed that council accept the recommendation that these two Park Reserves be leased to Mr. Czuroski for 1972 for weed control purposes at a token rental fee.

A by-law providing for the above was given first, second, and by unanimous consent of the councillors present, a third reading and finally passed.

Letter dated May 16 from Northwestern Utilities Ltd. requesting a right-of-way easement through Park Reserve Lots 22-R and 23-R, Block 1, Plan 6429R.S., SE 19-53-26-4 was presented to council. An offer at the rate of \$200 per acre was also submitted. It was agreed that this right-of-way easement and offer for same be accepted and the necessary signatures be authorized.

PLANNING COMMISSION
EMPLOYEE BENEFITS

Correspondence received from the Provincial Planning Board outlining proposed staff benefits for employees of Planning Commission was submitted to council for recommendation. It was agreed that these proposed benefits be referred to the next Development Board Meeting for clarification on some of the proposals.

The membership fee, in the amount of \$60 for 1972 Membership in the Edmonton Union of Municipal Districts and Counties was submitted to council. It was agreed that this membership fee be accepted and authorized paid.

An offer from Mr. O.A. McWillis of RR1, Evansburg to purchase the NW 16-54-6-5 was presented to council for consideration. It was agreed that this offer be re-

ALBERTA WOMEN'S WEEK

Stimulating speakers and demonstrations balanced with recreation and relaxation highlight the Alberta Women's Week program set for two locations the first week in July. One program will run from Tuesday, July 4 to Friday noon, July 7 at the Olds Agricultural College. The second program runs from Tuesday, July 4 to Thursday, July 6 at the Fairview Agricultural College.

Though the program does vary at each location, a number of topics and demonstrations are similar. At both locations, Mrs. Adlynn M. Hewitt, Q.C., Edmonton barrister and solicitor will discuss "You and the New Tax Laws", Judge Norman G. Hewitt of the Family Court in Edmonton will discuss "Making a Success of Marriage" and Mrs. Sally Merchant of the Department of Consumer and Corporate Affairs will lead a discussion on "Do You Get Your Money's Worth?"

In addition to taking part in a "Tawow" in Dunvegan, Fairview participants in the Women's Week program can take part in sessions on crafts, home design and landscaping.

Those attending the Women's Week program at Olds have their choice of two main sessions. One is a crafts-

oriented workshop, 'Threads in Action', led by Mr. R.W. White of the arts and crafts division of the department culture, youth and recreation. The other is a discussion-type workshop on family relationships called "Getting Along with Each Other" conducted by Glen Marsh, leadership development specialist and Edna Clarke, home management specialist both with the Alberta department of Agriculture.

Other sessions at Olds deal with gardening and

house plants, consumer action committees, foods and nutrition, and home economics action groups.

Both rural and urban women are invited to attend any or all sessions at either location. Accommodations and meals are available for a nominal charge and mothers are able to bring their children along if desired.

Further information and registration details are available from either Olds Fairview College, or from our office at Box 510, Stony Plain.

Summary Regular Council Meeting

Cont. from Page 6

fused for reason the offer is too low.

Due to flooding complaints received from the Big Lake area a survey was requested from the Water Resources Division. The written report on this survey was submitted to council and it was agreed that this report be accepted for information.

Letter dated May 25 from the Medical Officer of Health concerning the unsatisfactory condition of a public toilet in Duffield, was submitted to council. This toilet is situated on County owned property; however, was not erected on this location by the County. It was agreed that this matter be held in abeyance until the next regular council meeting.

Letter dated May 19 from Mr. G.B. Bucholz and Mr. Charles Victor requesting to lease road allowance between the NE 19-53-26-4 and the NW 20-53-26-4 was presented to council. It was agreed that this offer to lease the road allowance between the NE 19 and NW 20-53-26-4 be accepted and the County proceed to advertise its intention to close same.

PROPOSED FARM CREDIT MANAGEMENT

Letter dated May 30 from the Provincial Department of Agriculture, concerning the institution of the Agricultural Development Fund Act, was submitted to Council. The letter further advised that should this Act be passed an Advisory Committee would be established in various areas and requested that the County appoint a representative from the County to sit on this advisory committee. A brief resume on the workings of these committees was also outlined. It was agreed that the County accept this proposed Farm Credit policy and that Reeve Les Miller be appointed to represent the County of Parkland on this Advisory Committee.

The meeting adjourned for lunch at 12:00 noon and reconvened for business at 1:00 p.m.

Mr. Joe Glowach, District Engineer for the Dept. of Highways and Transport was present and discussed with council the appropriation of Capital Road Grants for the year 1972.

An agreement for the purpose of exploring and testing for gravel on the NE 4-54-27-4 with compensation of 20¢ per cubic yard for any gravel taken from said property was agreed that this agreement be accepted.

The feasibility of employing a part-time caretaker for the Car Body Dump situated on the SE 32-53-27-4 was discussed by council. It was agreed that this matter be referred to the Public Works Dept. and Reeve Miller for attention.

It was agreed that the County Office be closed on Farmers' Day, June 9, 1972.

Applications were received and opened for the position of an additional maintenance man for the hamlet of Wabamun. It was agreed that these applications be referred to a Committee consisting of Councillors Fuhr, and Mann and the Public Works Manager for screening and recommendation.

Tenders were received and opened for the sale of one used IHC TD9 Crawler Tractor and one used Caterpillar D73T Tractor. On recommendation of the Public Works Manager it was agreed that the highest tender of \$2,200 for the Caterpillar Tractor D73T and the

highest tender of \$2,050 for the IHC TD9 Crawler Tractor be accepted and payment to be made by cash or certified cheque.

Tenders were received and opened for the purpose of constructing fence for the 1972 program. On recommendation of the Public Works Manager it was agreed that the lowest tender, submitted by Morris Bieda of RR1 Duffield by accepted and awarded.

Tenders were called for and received for the purpose of constructing roads on various specified projects as designated in the Contract Documents for the 1972 Road Construction program.

On recommendation of the Public Works Manager it was agreed that the lowest tender of \$58,250, submitted by Bell's Sylvan Acres Ltd. be accepted and awarded subject to the posting of a performance bond for 50% or certified cheque for 20% of the tender submitted.

The following recommendation was presented by the Public Works Manager and approved as recommended. Recommended that construction on the Highvale Hill Project on Secondary Road 627, South of SW 4 and South of Section 5-52-4-5, be completed in 1972 under Articles of Agreement, Capital Roads Grant, at an estimated cost of \$30,000.

The following bridge authorization was approved on recommendation of the Public Works Committee. Bridge South of the SW 28-49-7-5--Recommended that 1-84" SPCMP x 12 gauge x 116' invert length culvert be installed in 1972 at an estimated additional cost to the County of \$4,000 for reggrading and graveling 1/2 mile of road. The Bridges Branch of the Dept. of Highways and Transport will contribute \$1,624 towards the cost of the culvert.

PROPOSED LEASE

HEARING

Submissions endorsing and opposing a proposal to lease to the Winterburn Riding Club were now heard and received. Mr. Charles Silver and a delegation of other property owners in the area were present and voiced their opposition to the leasing of this Park Reserve to the Winterburn Riding Club. A petition signed by 32 property owners and numerous letters of objection were also received. W.B. Stinson and Robert McIlveen representing the Winterburn Riding Club, were present and voiced their reasons why the County should lease this park reserve to their club.

It was agreed that in view of the objections received opposing this proposed lease that the request by the Winterburn Riding Club to lease this Park Reserve not be further entertained.

Tenders received for construction of the Stony Plain-Lac Ste. Anne Health Unit building were presented to council for consideration.

Mr. Stan Hodgson, Architect, Dr. I. Ashforth, Medical Officer of Health and Mr. Jules Blackburn, Chairman of the Health Unit Board were present and took part in the discussions. As it was the opinion of the council that the tenders submitted were high, it was agreed that the lowest tender of Grady Construction Ltd. be referred to the Architect for an attempt to reduce cost of constructing this building.

Mrs. Lee Wagar of Wabamun was present and requested that water and sewer services be extended to service lots 18 & 19, Block 1,

Plan 3682A.J., Lakeview. Mrs. Wagar further requested that the lane right-of-way be constructed along the south side of Lot 19, with proper fill and a culvert to facilitate a driveway and parking area. It was agreed that these requests be held in abeyance for further information to the next council meeting to be held June 22, 1972.

GAS LINE INSTALLATIONS

The following plans covering proposed gas line installations by Northwestern Utilities Ltd. were approved.

Plan covering Work Order No. W 607-72 providing for a gas line installation in the NW 19-52-25-4. Plan covering Work Order No. W 622-72 providing for a gas line installation in the SW 23-51-26-4. Plan covering Work Order No. W 625-72 providing for a gas line installation in the NW 7-52-25-4. Plan providing for a gas line installation road north of Section 36-51-26-4, subject to line being bored at a depth of a minimum of 4 feet, and in the NE 36-51-26-4 subject to line being set back from road allowance right-of-way a minimum of 200 feet.

The following requisition submitted for 1972 were approved: Notice from the Drayton Valley Roman Catholic Separate School District No. 111 requisitioning for \$360 for 1972. Notice from the Violet Grove Roman Catholic Separate School District No. 121 requisitioning for \$115 for 1972. Notice from the Tomahawk Roman Catholic Separate School District No. 120 requisitioning for \$385.25 for 1972.

A request from the Development Control Department for car radio equipment was presented to council and discussed. It was agreed that this request for car radio equipment be refused.

A request for construction of the road south of Section 28 and South of Section 29-51-4-5 was presented to council. It was agreed that this request be referred to the Public Works Committee for inspection and recommendation.

SPRUCE GROVE REC FACILITIES

Mayor Ken Howery, Harry McLeod, Allen Shenfield and Maury VanVliet, representing the Town of Spruce Grove and surrounding area, were present and submitted an Introductory Report dealing with two recreational facilities, an indoor swimming pool and covered arena. Considerable discussion took place on this feasibility of these two proposed projects. Further, the delegation invited County of Parkland participation on these two proposals. It was agreed that this report be received for information.

Letter dated May 17 from the Town of Spruce Grove, requesting to meet with a Committee of the council to discuss matters concerning both authorities was presented to council. It was agreed that a Committee consisting of Reeve Miller and Councillor Bailey be delegated to meet with representatives of the council of the Town of Spruce Grove to discuss such matters.

The Secretary-Treasurer informed council that due to a change to the Municipal Taxation Act in June, 1972 all taxing authorities are now required to show on each tax notice sent out the amount of taxes payable with respect to each rate of taxation. At this time of the year it would be almost impossible to comply with this amendment for 1972. The Secretary-Treasurer further requested that council endorse a motion, passed at a meeting of the Alberta Rural Municipal Administrators Association, to request a de-

Tomahawk News

On June 17, Linda Ella Brydges, third daughter of Howard and Doris Brydges, exchanged wedding vows with Edwin Francis Redinger (Ted), oldest son of Frank and Joan Redinger, at 2:00 at the United Church, Drayton Valley. The reception was at the Tomahawk Hall and a dance followed at 9:00 p.m. The local orchestra played "Here Comes The Bride" as the bridal party entered the hall.

The bride wore a long white satin, long-sleeved gown and train with crown and waist-length veil. She carried a bouquet of red roses. Bridesmaids were Cheryl Brydges, the bride's sister, and Edith Redinger, the groom's sister. They

lay of this legislation, and that council make presentation to the Albert Association of Municipal Districts and Counties to act under Section 11 of the amendment of Section 110(e) of the Municipal Taxation Act in order to allow time for the amendment or repeal of this legislation.

The estimates of Revenue and Expenditure for the year 1972 were discussed. It was agreed that an equalized mill rate be set covering the whole County.

A by-law authorizing the levying of the various mill rates on the assessment as required in the estimate of revenue and expenditure received first and second reading.

On further information from Calgary Power Ltd. it was agreed to request Calgary Power Ltd. to move the mercury vapor street light in Lodgepole from on front of Panky's Enterprises to the County park across the street at a cost of \$90 to the County. Further, it was agreed that Calgary Power Ltd. be requested to remove three street lights, as specified, in the Hamlet of Lodgepole.

wore matching long gowns of blue crepe with long sleeves and cuffs and high waistlines. They each carried a bouquet of yellow roses with yellow rosebuds in their hair.

The groom's brother, Arthur, and the bride's brother, Grant, were groom's attendants. The ushers were Bob Redinger, brother of the groom, and Linda's cousin, Jim McNeil of Sherwood Park.

The bride's mother wore a blue and white sleeveless fortrel dress with matching coat. The groom's mother chose a pink acetate knit dress with matching jacket trimmed with white.

Linda's oldest sister, Donna, was celebrating her fifth wedding anniversary on Linda's wedding day. Also, on September 2, the two sisters have their birthdays with a five-year difference.

Mr. Holman, Superintendent of Schools, and Mr. A. Myhre, Assistant Superintendent of Schools, met with the Library Board June 22 at the school. It was decided which rooms would be best for the new library and Mr. Holman said the books and shelves could be moved as soon as it was convenient. Mr. Overbo offered the services of the grade seven and eight students. Mr. Holman gave the ladies on the board a vote of thanks for all the years of running the library so successfully with volunteer help. The library was begun in 1957 and started in the basement. It was then moved up one floor in 1966.

Now it is once again moving up--it will be in the first two rooms on the northwest side of the school.

The quarterly Fire Chiefs meeting was held in the Tomahawk Fire Hall June 22. All Fire Chiefs and councillors of the Parkland County were present.

The South End Unifarm Local had a farewell party for Rudolph and Elsie Zander June 16 at their home. About 30 people were present. That weekend the Zanders moved into their new home in Drayton Valley.

Also the weekend of June 17, Mr. and Mrs. Les Pigeon moved into a new trailer home, which was then taken to Grande Cache where Les is employed as an iron worker.

A visitor to the Mellenbecker's is Mrs. Aletha Lewis (nee Cranston), Doris' niece. She was Marcia's bridesmaid seven years ago. Aletha just came from Guam where they have lived for the past two years. They will now be living at Long Beach, California, where Mr. Lewis works for the Coast Guard.

A surprise 25th wedding anniversary was celebrated at the hall for Carl and Dooreen Hindziuk Sunday, June 18. All the relatives gathered at the hall for a family dinner in their honor. To get the couple to the hall, Larry and Judy had told them they were taking them out to dinner, and had taken them to the hall. It was open house later in the afternoon for friends to congratulate them.

Seba Beach Students To Journey to Quebec

Twenty-three members of the Seba Beach School, 21 pupils and 2 teachers, are anxiously preparing for their journey to Quebec as part of the Young Voyageur Program.

Sponsored jointly by the Federal and Provincial Governments, this program provides young Canadians with the opportunity to meet, to know, and to develop a closer understanding of Canadians living and working in other regions of Canada. It also introduces youth to the geography of Canada, and the industrial, political, educational, cultural and artistic achievements of other areas of our country.

One of twenty groups from Alberta, the Seba contingent will leave for Montreal from

the Edmonton International Airport via Air Canada on July 3. After a week of adventure and education at Alma, Quebec, the group will begin their homeward journey, which includes a two day tour of Ottawa. The Seba Voyageurs will arrive home on July 15.

The second part of the program involves hosting, so the Seba Voyageurs will host 23 Young Voyageurs from Napanee, Ontario from July 24 to August 2.

The Community Spirit of the area is exemplified by the support and enthusiasm of many of the organizations in the area. Some of the organizations and the areas of support are as follows: Gainford B.P.O.E. and O.O.R.P. - Barbeque and Dance;

Fallis Community League - Tour of Power Plant and Picnic; Seba District Community League, Seba School staff, Wabamun Lion's Club-Jasper Tour; Seba Student's Union - Voyageur jackets; County of Parkland - County Crests; Cormie Ranches Limited - Tour of Ranch; Jackpine Community Club - Ukrainian Supper.

The Voyageurs from Ontario will be billeted in private homes and will become "one of the family" for a week. All hosts and hostesses will be welcome to participate in the week-long activities.

It seems evident that the youth of the area, and their parents, can look forward to an exciting and educational summer.

Keephills News

Ronny and Heather MacDougall of Edmonton are spending their holidays on the farm.

Linda and Doug Walker and family of Calgary are visiting the Clarks at Highvale for a few days.

Jason Vanderwill has been in the hospital in Edmonton. Keephills had their field day on June 16th and after a busy day they all enjoyed a weiner roast.

Tammy Raymond spent a few days at St. Albert with her aunt and uncle, Mr. and Mrs. Albert Calkins and family.

Wildwood News

The Treasury Branch Opening in Wildwood on Monday June 19th was well attended. Mr. Holgate of the Head Office was chairman. Mayor Don Smith welcomed everyone to the opening. Mr. Holgate introduced Mr. Dompler - administrator of I.D. #14, Mr. Peter Trynchy, M.L.A. Mr. D. Enslinger, Wildwood Treasury Branch manager and Mr. Sparrow, superintendent of the Treasury Branches. Mr. Sparrow gave a short address before cutting the ribbon to declare the Wildwood Treasury Branch officially open. Branch managers attending were from Edson, Breton, Drayton Valley, Stony Plain and Mayerthorpe.

A tour of the new building was conducted by the staff, Mrs. Mary Ann Nikalyuk, Mr. Margaret Sparks, H. Lavoie and manager D. Enslinger.

A lovely lunch was served by the Ladies of the Wildwood Library.

Nice to see Mr. Stafford home again, also Mr. Ernie Benesch and Gus Birglund.

Mrs. Scharr Sr. is holidaying in B.C., also Mrs. Saiko is visiting in Vernon, Kelowna and Cowichan Lake.

We are sorry to have Mr. and Mrs. Conrad Vickstrom leave our district and hope Mrs. Vickstrom will be out of the hospital soon. Get well wishes also go to Mrs. Ernie Vankosky who is a patient in the Royal Alexandra hospital in Edmonton, and Mr. Alf Vankosky who is in the Drayton Valley Hospital.

Mr. and Mrs. Ian Daniel and family of Edson called on the Winfields last Saturday.

Mrs. Clara Meyer and girls of Whitecourt were weekend visitors of Mr. and Mrs. Harry Szutak.

Mrs. Mae Payne was a visitor of Mr. and Mrs. L. Gerrards.

Mr. and Mrs. Naslund of Camrose visited with Mr. and Mrs. O. Vickstrom on Tuesday afternoon.

Mrs. D. Holthy is visiting her daughter Evelyn and family of Eckville.

Mr. and Mrs. A. Logan spent a week at Radium, B.C. Mrs. Tjunstrom accompanied Mr. and Mrs. Logan to Lethbridge where they enjoyed a week visiting relatives, Mrs. Tjunstrom spent a few days on a trip into Montana.

Mrs. Ward, Mr. and Mrs. Ernie Vankosky and Mr. and Mrs. A.E. Winfield took in the A.T.A. Beef Bar - B-Q at Parkcourt last Saturday. The beef was delicious. Mrs. Weist made a cake in

the form of the letters A-T-A. A sing-song followed the supper with Mrs. Allan singing a couple of selections. Also Mr. Weir entertained with several songs with Mr. Belyk and Mr. Roffell on the guitars.

Mr. Charlie Taylor of Evansburg was the lucky man last Monday nite when he won the jackpot at the Wildwood Hall Board Bingo.

The Ladies Aid held their last meeting of the season at the home of Mrs. Brown. Mack, Gerrard, and George Hanson are cutting grass in the cemetery during the summer. The Ladies will meet at the cemetery at 10 a.m. Wednesday, July 7 for a clean up bee. It was decided to fence and put up gates on the land purchased for a new cemetery.

We welcome Mr. and Mrs. D. Enslinger and family to Wildwood. They have moved into the apartment above the Treasury Branch.

Mr. Gordon Reid was home over the weekend.

Wildwood News

The Wildwood and District Recreation Board recently received a cheque in the amount of \$7,508.09.

Mr. Peter Trynchy, the M.L.A. for the area, and Mr. Al McRoberts, with the Department of Youth and Recreation, presented the cheque to the Mayor of Wildwood, Mr. Don Moore.

This money will be put to good use by upgrading and adding to the present recreational facilities in the Village.

Park Court News

The regular meeting of the Gay Gatherers was held at the Lutz home Wednesday night. After the regular business session the newsletter was written--the last for the summer months. Mrs. Lutz, the hostess, gave a demonstration on stamp collecting.

Mr. and Mrs. Albert Tufin are away on a motor trip to Whitehorse.

A shower was held in the hall Sunday in honor of Marjory Rosadiuk. The tables were decorated with bouquets of spring flowers. After the passing of gifts, a

lunch was served.

The teachers, bus drivers and executive in the eastern part of the Yellowhead School Division held a party at the hall Friday night. A pit-barbecued beef supper was served at 7:30, with a few games of horseshoes and a sing-song following.

KNOW YOUR SCHOOLS

This "question and answer column" provides an opportunity for citizens to ask questions about education. If you have a question concerning the schools you are encouraged to send it to "Know Your Schools?" P.O. box 777, Stony Plain, Alberta.

QUESTION: When does school begin in the fall for students residing in the County of Parkland?

ANSWER: The 1972 - 73 school year officially begins on September 5, 1972, which is a teacher preparation day only. All students with the exception of those attending the Devon and Evansburg schools, will start school on Wednesday morning, September 6, 1972. Students attending Devon School will begin on Tuesday morning, September 5, 1972. Students going to Evansburg High School start on Tuesday morning, August 29, 1972. In all the above cases, County of Parkland students will be dismissed at noon on the first day of school and buses will return home early. It should be noted that principals are usually at the schools during the latter part of August to answer inquiries and to register new students. QUESTION: Does the Worth Commission Report include any comment on, or proposals for the reorganization of the school year?

ANSWER: The report of the Commission on Educational Planning states that if frequency of mention is any criterion, Albertans attach great importance to the reorganization of the school year. The report outlines a number of alternatives to the present school year and appears to favor a continuous learning year cycle plan. Essentially the plan calls for a number of short term learning periods, interspersed by brief vacations or life-experience programs.

Graduation Exercises Held at Entwistle

The Entwistle Grade 9 graduating exercises took place on June 16th at the Entwistle School. Master of ceremonies Bob Mottram opened the evening with the singing of "O Canada" followed by prayer given by Pastor Cecil Cowie:

The welcome address was given by Darcy Dearoff and the speakers were Principal Mr. Ganske, George Mann - chairman of the School Committee, Amelia Clark - a member of the school committee for the Village of Entwistle, and R. Toews - Assistant Superintendent.

Thank you to the parents was given by Agnes Sawatsky and thank you to the teachers by Peggy Smith. Valedictorian was Cindy Relling. Address to the Graduands was by John Patrick Gillese, from the Cultural Development Branch, Department of Culture, Youth and Recreation.

Several songs were sung by the grade nine girls and the climax was when Mrs. Field and Mrs. Vi Cherrington awarded the certificates to the graduates.

The evening closed with "God Save the Queen" with lunch and coffee served to all. It was very gratifying to see so many parents out to the occasion. Many thanks to the grade eight students for the beautiful decorations which helped make it a memorable occasion.

A tea was held on Wednesday, June 21 for Ivy Ganske by the Entwistle Librarians to show their appreciation for the work and interest Ivy took in our Library. We are really going to miss her help and we hope she will be as useful in their next place of living. Thanks, Ivy.

Eleanor Oliver motored to Edmonton on June 21 to attend a bridal shower for Miss Vickie Smyski who will be married to Mrs. Oliver's nephew on July 1st.

Several Entwistle ladies attended a shower in honor of Lenora Hanson of Wildwood on Sunday, June 18.

A tea was held recently for Mrs. Ella Brown as the Brown family are moving to Calgary in the near future. Mrs. Stewart and Mrs. Reling will certainly miss their daughter and sister. We hope they will like their new home and come back to see all their friends in Entwistle.

NOTICE: The Entwistle Community Library wishes

to announce that during the summer months of JULY AND AUGUST the Library will only be opened from 7:00 P.M. to 9:00 P.M. on TUESDAY EVENINGS.

TOWN OF DRAYTON VALLEY

EMERGENCY WATER USE NOTICE

The Council earnestly solicits your aid in maintaining a balance between the supply and demand of our communal water supply. The Town is presently in the throes of constructing a Water Treatment Plant on the bank of the North Saskatchewan River. The pipe line has been installed and the river intake portion has been completed. However until the plant itself has been completed we must continue to rely on the water wells as our source. During the latter years these wells have been gradually becoming less adequate - both from the point of view of not being able to produce as much water and more and more water being required because of growth and expansion of the town - until each year the supply becomes less and less able to meet the demand.

It is pretty well assured that this will be the last summer of rationing, as the new plant should be in operation by September. In the meantime we as householders are asked to curtail our water use to insure that everyone gets a fair share and there will still be some in reserve for fire safety measures. If all use water reasonably and in accord with the rationing program directive below, there should be no real hardship for anyone.

LAWN, GARDEN & TREE WATERING SCHEDULE

PERMITTED IN THE TOWN OF DRAYTON VALLEY

NORTH SIDE OF 50th AVENUE

Mondays - Wednesdays - Fridays

Water Between 7:00 p.m. and 9:00 p.m. SHARP

SOUTH SIDE OF 50th AVENUE

Tuesdays - Thursdays - Saturdays

Water Between 7:00 p.m. and 9:00 p.m. SHARP

WATERING PROHIBITED

ALL DAY SUNDAY

Rationing of water may be instituted by a Municipal Corporation when the necessity of same becomes apparent. Our water supply situation is now such that it is deemed necessary to institute the program of rationing as outlined above. Anyone contravening this rationing directive will be liable to prosecution.

The Mayor and Council are confident that the water users in Drayton Valley will react favorably to this emergency measure and co-operate completely.

Raft Races to be Held Here July 1st

Armand Brisebois and

Fred Bauman are challenging all potential raft racers to take away their Klondike Raft Racing Association trophy which they won in the Drayton Valley raft races in 1967.

Anyone wishing to take up the challenge has the chance this Saturday on the mighty North Saskatchewan River. Several teams are already entered, with entry fees being \$10 per raft. All entry monies will be given as prizes and trophies and the judges' decision will be final.

Rafters begin at the West Bank plant south of Violet Grove at the start of a gun at 1:00 p.m. and finish at the bridge just east of town. Trophies and prize money will be awarded to first, second and third place winners.

Rafts will be log structures only, a minimum of 4' x 10' in size, with one 6-foot flag pole any place on the raft to hold entry number card. Only two persons are allowed per raft, with a maximum of three poles per raft, with a minimum of 25 feet of safety rope.

Rope, belting, or other suitable material should be fastened around the outside edge of the raft for safety, and life jackets must be worn.

Launching positions will be determined by draw. The

raft must be beached after crossing the finish line and one person from the raft must touch the flag in order to qualify as a winner.

For further information, contact Brisebois Bros. Construction Ltd. in Drayton Valley before July 1.

Wabamun News

Several people took in the golf tournament at Sylvan Lake this last weekend.

Our sympathy goes out to Mr. and Mrs. H. Parker in the loss of the latter's step mother Mrs. Hazel Gray of Rocky Mountain House.

Mrs. Kent of Stony Plain baby sat her grandson Derrek Mastaller while his parents attended the tournament at Sylvan Lake. Of course both grandma and Derrek had a wonderful time.

Last Sunday Mr. and Mrs. F. Anderson, Miss H. Margerison and Mr. and Mrs. D.M. Roberts motored to Hinton and enjoyed it very much as it was such a lovely day.

Congratulations to Mr. and Mrs. J. Waddell on the birth of a fine baby girl.

Mrs. Basil Stecyk had the misfortune to break her collarbone recently. We were sorry to hear this, but we hope you will soon be feeling better.

We were very sorry to hear that Mr. and Mrs. D. Yates lost their young grandson, Clayton Yates, son of Mr. and Mrs. Wayne Yates of Grande Cache, Alberta.

Wabamun Little Canadians 12 and under have not lost a game yet and have 1 more game to play. The last game was against Darwell.

Girls 12 and under won their semi-final playoff. They played the Darwell girls last night.

The Midgets played the Rocky Rapids team and won. Come on ball players, keep up the good work.

Graduates From U of Manitoba

Pro Dance Team To Instruct Here This Weekend

Louise Benety and her professional dance team of six will be returning to Drayton Valley this weekend to

teach contemporary and modern jazz dancing to Drayton Valley young adults.

The dance instructors were in Drayton Valley Junior High in the middle of June for three days of instruction to thirty-five registered students. They finished their weekend activities Sunday afternoon by choreography, etc. Candy Man by Sammy Davis Jr. for next fall's show and also choreography the Clearwater Revival number, Down On The Corner which Drayton Valley and area residents will have the opportunity of viewing in early October along with a repeat production of Joseph's Magnificent Colored Dreamcoat by popular request.

The Kinette Club held its last meeting of the term. Guest speaker was Mrs. Burrows of Drayton Valley who spoke and showed slides on gardening and house plants.

The new slate of officers for the next term is: President, Bernice Beach; Vice President, Sybil Rimmer; Secretary, Karen Kangas; Treasurer, Wanda Maddek; Registrar, Jeanette Bowie; Bulletins Editor, Gloria Kuhn; Scrapbook Editor, Lil Bucholz.

An organizational meeting was held and plans for the Pembina Valley Daze to be held July 15 and 16 are underway. With the pancake breakfast, parade, gymkhana events and a fastball tournament, it promises to be exciting for everyone so make plans now to join in the fun.

The community welcomes Mr. and Mrs. Delbert Farrel as new residents in town

open to all Drayton Valley students ages 12 to 18 so feel free to attend beginning 6:30 p.m. Thursday June 29.

The Junior High Drama raffle will take place Wednesday June 28 and some individual will be able to go on a \$100 shopping spree this holiday weekend. The Junior High drama students would like to thank the individuals who supported this raffle and they may be assured that this support means broader theatre experience for our youth and better theatre entertainment this coming school year.

The Junior High was pleased to be able to entertain at the Royal Purple meeting this past week and for the opportunity to unveil their new number, Down On The Corner. Any service club desiring to give our own youth an opportunity to entertain and work before an audience may do so by phoning the Junior High to book engagements.

Couple United in Edmonton Ceremony

A wedding was solemnized May 27th at Robertson United Church in Edmonton when Sylvia Mandziak, daughter of Mr. and Mrs. Paul Mandziak of Edmonton, became the bride of Ronald Wilson, son of Mr. and Mrs. Fred Wilson of Drayton Valley.

The bride, wearing a floor-length satin gown with lace bodice, long sleeves and a long veil, entered the church on the arm of her father. She carried a bouquet of roses and carnations, while the Matron of Honor, Mrs. Betsy Meirs, wearing a floor-length gown of green satin, carried a bouquet of carnations. Best man was

Mr. Bob Meirs.

The bride's mother chose a turquoise dress with matching coat and beige accessories with a yellow rose corsage. The groom's mother wore a lilac-coloured dress with matching coat and white accessories, and an orchid corsage.

A reception and dance were held at the Vi La Marie Hall in Edmonton for 100 guests. Out-of-town guests were from Smoky Lake, Wainwright, Redwater, Violet Grove, Thorhild, Drayton Valley and Edmonton.

The young couple will make their home in Edmonton where both are employed.

Make this your year to learn to swim.

What's important about tomorrow is today.

Today could be the start of something great.

Because to build a better tomorrow, we have to start right now. We have to think about things like family life, the underprivileged, and education for the future.

The Commission on Educational Planning has completed a background study of today's Alberta.

And the Commission has quite a bit to say about tomorrow. It's all in a book titled A Choice of Futures.

What should we do today about tomorrow?

Read A Choice of Futures. Then decide. Decide for yourself.

Agriculturalists Honored In Edmonton Hall of Fame

The Agricultural Hall of Fame in the Legislative Building in Edmonton honors the achievements of farmers and other agriculturalists in the development of the agricultural industry of the province. Established by the provincial department of agriculture in 1950, five appointments were made in 1951, one in 1959 and four in 1967.

Dr. Hugh Horner, Alberta's minister of agriculture, announces that the department is receiving nominations this year for the Hall of Fame.

Any person who is a Canadian citizen and who has reached a mature age may be nominated. While preference is given to men

of the soil, nominations may include businessmen, professional people or others who have made an outstanding contribution to agricultural life in the province with the contribution being provincial or national in scope. Consideration will be given to those nominations where the contribution was made in a district or region providing its influence was provincial in extent.

Selections to the Hall of Fame will be announced early in October. The selection committee will consist of: the deputy minister of agriculture; the dean, faculty of agriculture, University of Alberta; the president of Unifarm, the director of extension, department of agri-

culture; the president, Women of Unifarm.

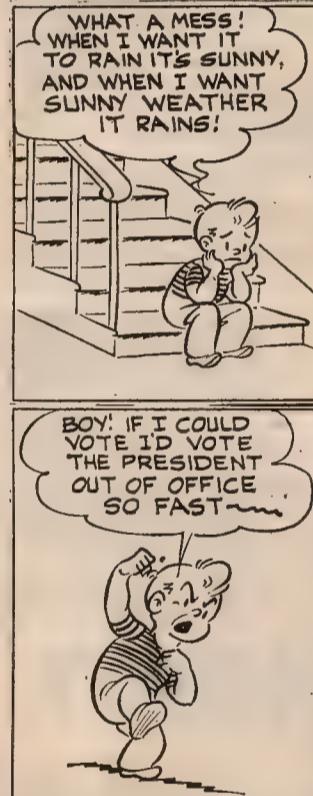

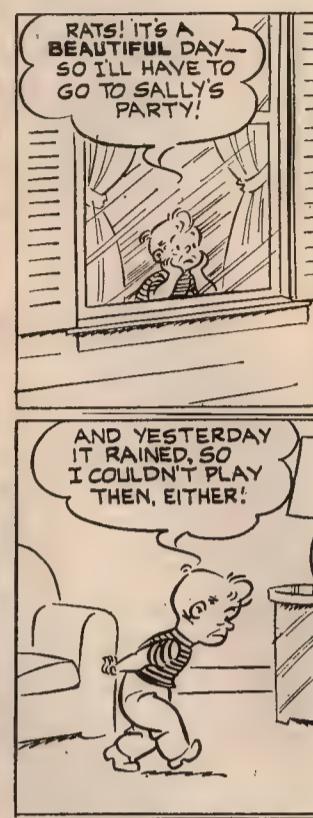

Nominations for this year's appointments should be made by August 1 and sent together with evidence supporting the nomination to the office of the deputy minister, department of agriculture, Edmonton.

A study of the immigrants who came to Canada in 1968 showed that the value of the training they received in their homelands amounted to about \$870,000,000. Another study disclosed that immigrants brought more than \$320,000,000 with them to Canada in 1970.

Alder Flats News

Congratulations to Merlin and Susan Woytowich on the birth of a son recently at the Drayton Valley hospital.

The Carl Janke's have sold their trailer and are now residing on her Dad's farm north and west of the Flats.

Mr. and Mrs. Steve Stefan spent the weekend of the 17th at Round Hill and Leduc visiting relatives.

The canvassers for the Canadian Cancer Society collected \$120.65 in this area. Mrs. Shirley Shanks would like to thank the canvassers, Mrs. Joanne Hampson, Mrs. Doris Peterson and Mrs. Bernice Johnson for their help and for all the donations received.

Mrs. Shirley Shanks was in Wetaskiwin on Sunday evening from 7 to 10 at the swimming pool trying out for her Life Saving certificate and badge. If Shirley makes it she will be helping with the swimming lessons at Buck Lake this summer and for the Brownies when they are at camp.

Mr. Gordon Shank's father from Edmonton is visiting the Shank home.

Winfieeld had their graduation banquet on Friday evening the 16th. Congratulations to the former Alder Flats students, they were Lana Blades, Zandra Zukiski, Louise Scrybalo, Josie Zingle, Ross Larson, Greg Bohning, Darrel Wennerstrom, Shane Clemmer, Dwayne Tugwell, Richard Parker and Lyle Patten.

Neil and Rose Letourneau of Edmonton are spending part of their holidays here with her parents, the Adam

Schwenglers and with Neil's grandparents, Mr. and Mrs. Thomas of Buck Lake.

Mr. and Mrs. Willie Bjorgum and family of Kingman and Mrs. Helen Creek of B.C. were dinner guests at the Harold Johnson's and supper guests at the Pete Maciborsky home. Mrs. Creek is an aunt of Lawrence Hoflin, Gladys Maciborsky and Bernice Johnson and Mrs. Bjorgum is a cousin. The Hoflins and Maciborsky's spent the afternoon at the Johnsons visiting with their aunt whom they hadn't seen for over twenty years.

The Eric Wennerstroms and the Vin Farrells were each presented with a farewell purse of money at the community hall Saturday evening the 17th, from the people in the community.

The Race Meet, Barbecue and Dance turned out to be a huge success again this year despite the rain we had during the weekend. The rain held off on Saturday until all outside activities were over except the last ball game which got rained out on the fifth inning.

weeds will not control wild oats. The temptation to combine carbyne which is a "translocated" herbicide with "contact" herbicides such as dicamba and bromoxyl prompts many visits to this office. We do not recommend such mixing as these herbicides have different modes of action. True, you are reducing crop injury caused by machinery when only one operation is used, but timing of application differs with crop to be sprayed and herbicides used. Furthermore instructions improperly followed may lead to crop damage, poor control of the problem with no recourse to the Chemical Companies. You the users have the responsibility of applying the product in accordance with information on the label.

Our prairie grain producers have repeatedly been hit at crucial times by strikes on the St. Lawrence Seaway and West Coast, by trainmen, grain handlers at the terminal end of the grain delivery system. Probably the urgency for getting grain to market has contributed to settlements which by other yardsticks were not warranted. The "right" to strike would be seriously questioned by those directly and indirectly involved in the agricultural industry. Even if their "right" to strike becomes an issue in the next federal election, it must be remembered that for most public employees no right will be lost or gained, it simply never existed. But there are alternatives to strike action. There is reason, our most powerful weapon which appeals to the Canadian public.

Hopefully reason will be used to overcome the problem of labor stoppages in ports along the St. Lawrence River which is seriously disrupting the flow of Canadian Export Grain. Walkouts by the Longshoremen have affected wheat and barley, reducing grain loading by about 2.5 million bushels per day. If Canada's export commitments are jeopardized, it would be difficult to find

public sympathy for inflation increases.

Still with grain we are getting a number of inquiries about mixed chemicals to control difficult weeds and eliminate separate spraying operations. Producers are now concentrating on the control of more resistant weeds such as smartweed, hemp nettle, wild buckwheat and hawk's beard. At the same time, herbicides to control these hard to kill

Berrymoor News

Get well wishes to Mrs. Marlaine McIlvanie who has been in an Edmonton hospital recently.

Mr. and Mrs. Charles Martin of Rocky Mountain House visited this week at the home of Charlie's partner Mr. and Mrs. Donald

Lin.

Mr. and Mrs. Robert Shaw and family of Edmonton visited with relatives in Berrymoor this past week.

Once again rain has washed out a ball game that was scheduled between the local ladies softball team and the ladies' team of Buck Creek. They have re-scheduled the

game for the evening of June 27th. Better luck next time.

It is a pleasure to see David and Edna Van Ember and their family in our midst again. They have spent the last couple of years in California.

A shower is planned for Miss Sharon Lawson and her fiance, Mr. Dale Thatcher at the home of Mr. and Mrs. Roy Lawson on the evening of Wednesday, June 28th.

Weather permitting, the Berrymoor Three B's Club will have a clean-up day at the cemetery on June 24th. Their monthly meeting will also be held on this date.

A Little Safety
GOES A LONG WAY DOWN ON THE FARM

THANK YOU

Thank you to the Drayton Valley Fire Department and all my neighbors that helped out when my house burned down recently.

TED HARRIS

A special thank you to the doctors, nurses and staff of the Drayton Valley Hospital, and to the ambulance driver, Nick Urchyshyn and to Mrs. Palmer who took my wife to the Royal Alexandra Hospital. Thank you also to relatives and friends who visited her in the Drayton Valley Hospital.

Mr. and Mrs. Joe Leskie

We wish to thank all our friends and relatives for the lovely going-away party on Saturday, June 16th, and for the beautiful swag lamp and Legion ashtray. Special thanks to members of the Legion and Legion Auxiliary. It was so very nice of you.
